**INVITATION TO PARTICIPATE IN SURVEY ON
LOSS MITIGATION MEDIATION PROGRAMS**

The U.S. Bankruptcy Courts for the Southern, Middle and Northern Districts of Florida are jointly conducting a survey on mortgage mitigation mediation programs offered in their respective courts. The survey will be open for responses from September 16 - December 2, 2013.

You are welcome to participate in the survey even if you have not yet been a participant in a mortgage mitigation mediation proceeding in this court.

The survey is anonymous and will be used to determine the effectiveness of the three Florida bankruptcy court programs and provide feedback to the respective judges and working groups in each district on what is working well and what is not, whether the court should consider adopting some provisions of another court's program or if there is a desire to have a uniform program in Florida.

Registered CM/ECF users have already been sent a separate email invitation to participate in the survey. If you are not a CM/ECF registered user in any of the three Florida federal bankruptcy courts and wish to complete the survey, you may access it at the following link:

Please complete the survey only once and only for one court, even if you have experience with the programs of the other two courts. The questions will allow you to provide input on your experiences in all the programs you have participated in.

Thank you in advance for taking the time to complete this survey and provide valuable information to the courts to improve case administration.
